

Michael Davitt GAC – Annual General Meeting 2013

A chara,

This year's Club Annual General Meeting (AGM) has been scheduled for **1pm on Sunday 1st December** in the clubrooms.

You are encouraged to attend and participate at one of the most important days in the Club's calendar.

I have enclosed the Clár for the meeting, along with a Nomination/Motion Form for your consideration. You **must** obtain the permission of the member you wish to nominate for a Committee position.

The Nomination/Motion form should be returned to me or alternatively, left in the Clubrooms for my attention, by Wednesday 27th November. Forms will be kept in a secure place and no-one will access these papers but for myself in advance of the AGM.

If you are unable to attend, you should forward your apologies to me so that these can be recorded. Membership fees for this year will remain at £20 and these should be paid as soon as possible but no later the end of March 2014.

Thank you for your continued membership in what for us all is a very special Club and I hope that you can continue to show your support and commitment during the coming year ahead.

The AGM will be preceded by the Club's Annual Mass for deceased members, families and friends. **This will take place at 12 noon in the Clubrooms.**

We would encourage as many people to attend as possible.

Is mise le meas,

Turlough Páirc
An Runaí

Michael Davitt GAC – Annual General Meeting 2013
